

Oct. 10, 2017
Park Board Mtg.

Cris Lawrence opened the meeting at 6 p.m.
Pledge recited
Members present: Cris, Butch and Rosie
Minutes approved for Sept. mtg.

I. Beaver invoice tabled

II. Andrew Suzeland was there to represent Mr. Wakeland via phone for:

- Opening of bids for Timber Sale
- Only bid presented was Northern Wood Product Inc. Thorn

Road from

Walkerton, In

- Bid presented for \$8500.00
- Bid approved for \$8500.00 (Mr. Wakeland via phone)
- Approved by Board 3-0

III. Koontz Lake Lions-Van Janovic presented information concerning park in Oregon

Township. The park is now owned Koontz Lake Lions and they would like the

Park Board to consider incorporating it into the county parks within a time frame

of 1 or 2 years. Mr. Lucas pointed out insurance being an issue may be

beneficial as a co-op with the county. (Jim Milace also attended.)

IV. Beach and Campground

- Mr Wallsmith was present to represent Mr. Callahan

a) Damage to the concrete and preventive measures were proposed as per

discussion of Sept. 28, 2017 mtg. with Park Board members

Rosie

Rose, Todd Wallsmith, and Marty Lucas.

- b) Callahan will pay for the repair and damage to the structure

and

preventive measures to be addressed by the county, which

includes

Glacier Stone.

- With that being proposed, the goal is to try and work cooperatively with

both parties satisfactory in agreement.

repairs

- Rick Anderson stated it would be best to add stone after

contract in

c) Mr. Wallsmith then presented their proposal to renew their

April of "2018"

the

d) Mr. Wallsmith also stated his client is open for discussion to

control of the

possibility of mutual intent of allowing the county to take

beach and lake building.

allows for

- Grant money would be a VIP factor

- Also a brief discussion of the percent of money the lease

30, 2018" and

increase (approximately 8%)

- Mr. Lucas stated the entire lease is up for renewal "April

Highway

can then be rewritten.

- In conclusion, the board need to research possibilities from

and

Department and Commissioners for future consideration

proposals.

* Work Group consideration (which was tabled at last meeting) was presented for

discussion and thought to be of great importance if the county was to take the beach

back in the future.

* Public Comments:

- Question of Mr. Callahan having to be present to run the operation of LLC?

- Addressed by Mr. Lucas

- Problems with interpretation of the lease by Rick Anderson

- Addressed by both attorneys

- Mr. Anderson asked that his presentation be a part of the minutes
- Kathy Carrier expressed her opinion of violation of the lease by LLC Incorporated (concerning Brian Callahan)
 - Attorneys stated contract is valid
- Questions concerning camp sites being filled during weekends

* Meeting adjourned at 7:07 p.m.
