Sheriff Bill Dulin appeared before the Board. He advised he had proposed to the Board of Commissioners at their morning meeting the creation of a new position in the Jail, that of Receptionist/Administrative Assistant. He advised this person would be assisting the 911 Dispatchers in the amount of paperwork they are presently processing. He stated he believes the dispatchers' duties are not in compliance with the State's requirements of a 911 dispatcher and is fearful of losing the 911 revenue. Sheriff Dulin advised he would be funding this new position out of the extra help line of the Jail's 2015 budget. He also inquired if he could post the position now for the Part Time Maintenance Person to begin work at the new Jail. Councilwoman Davis made a motion to approve his requests, seconded by Councilman Hazelton. The motion passed with all ayes. The Sheriff also advised he has contacted the State in regard to having a staffing analysis be completed to see if there is a need for additional staffing. He noted he has hired two part time cooks and eliminated the full time cook. He also advised he now has a female jailer. Councilwoman Davis inquired if the population of the jail affects the number of staffing. Sheriff Dulin advised he would check into it.
