

December 8th, 2011

Pursuant to adjournment comes now the Starke County Board of Commissioners and meet in a special informational session at 11:00AM in the meeting room, of the Starke County Annex Building, Knox, Indiana, with two members present and the following proceedings were held to wit:

RE: GIS/WTH SYSTEMS

Present at the meeting:
County Commissioners Dan Bridegroom & Kathy Norem;
IT Director Joe Short;
EMA Director Ted Bombagetti;
Sheriff Oscar Cowen;
EMS Director Paul Mathewson,
911 Dispatcher, Dawn Bau.

A representative from the WTH Technology Company gave a presentation on the different components of the WTH technology, which included Think GIS Crime Mapper, WTH Event Manager, and the AVL and GPS Tracking.

Brochures describing the different components of the technology are on file in the County Auditor's Office.

The Sheriff inquired as to who updates the 911 addresses in the county.

Commissioner Norem requested WTH provide written proposals to be presented to the county, which would list the expense and the discount to the county.
