

**RESOLUTION APPROVING
STARKE COUNTY
Changes to Stellar Project**

2023-004

WHEREAS, Starke County had identified adequate reason to analyze a changes that were made to the Stellar Project recently completed, and

WHEREAS, Starke County hired Troyer Group to define and describe any issues, advise us of our options, and make recommendations to address any issues or changes needed to the original Stellar construction plan and project. and

WHEREAS, Starke County has received \$333,333 as federal Community Development Block Grant dollars from the Indiana Office of Community and Rural Affairs to fund the Stellar Project as well as contributed additional matching funds, and

WHEREAS, Starke County has reviewed the process and project thoroughly and agreed with the following changes for the safety and or financial need of our community:

Bass Lake – removal of the planned restroom building, bench area, and bike loop from the original approved scope/budget; and

Bass Lake - removal of the roadway/approach reconstruction, sidewalks and parking, and associated construction; and

Koontz Lake - removal of the planned project in its entirety.

BE IT RESOLVED by Starke County that the above changes are hereby approved.

Adopted by Starke County, Indiana this 17th day of July, 2023.
