

# Site Plan Drawing, and Information We Need Before Permit is Issued.

1. If not the legal owner of the property; you will need permission slip from the owner.
2. Height and dimension of structure.
3. Sizes of other structures that exist and how far from new structure.
4. Where the septic, well and driveway are located.
5. Drawing indicating all existing buildings and proposed buildings and how far they are from each other and all property lines.
6. Cost of construction.
